

*Mothers Meeting to Pray
for Their Children
& Schools*

**Moms In Touch
at Grace Christian School
meets every Thursday
that school is in session
8:00-9:00 a.m. in the Library.**

Moms and grandmothers of Grace students
are welcome to join--come once a week,
once a month or whenever you can.

No experience needed and silent pray-ers are welcome.
We follow a simple guide of praising God, silent confession,
thanksgiving and then agreeing together as we pray specifically
for our children and their classmates;
Grace teachers and staff; and other school activities.
All prayers are held in confidence within the group.

To request prayer for your student or family, please email:
